

intelligent design produces  
better performance  
welcome to Castle Building Products

Simple yet effective, the gentle decorative design looks sharp and stays that way with no nooks or crannies for dirt to collect. Whatever your taste, the look of these windows and doors is easy on the eye without compromising its intelligent design. A sound investment against the harshest elements.

All our products undergo rigorous tests to ensure they are of the highest quality, durability and reliability.

You can feel confident that your windows and doors will stay beautiful for longer, with very little maintenance. As you'd expect from the UK's leading window and doors supplier, all our Deceuninck designs are recyclable.

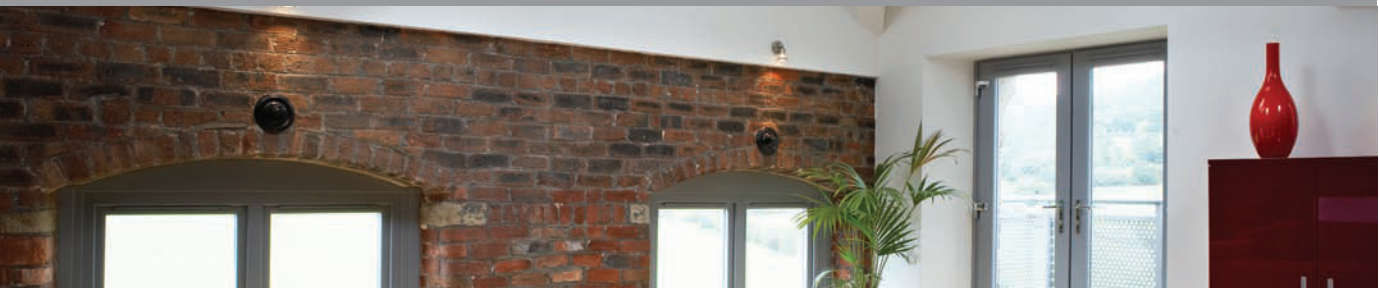

Castle Building Products specialise in improvement products including Deceuninck PVC-U Windows, Door and Conservatories.

Our Trade Counter stocks: Cellular PVC-U products, Plastic Building Products, Rainwater goods, Underground and above ground drainage, Silicones, Hand Tools, Screws and other Fixings.
